MASTER STYLE BLOCK (PASTE INTO GEMINI / CHATGPT IMAGE)

Flat-design isometric 2.5D vector infographic illustration in the "Shetty's Desk" brand style. Smooth blue gradients (azure #2798FB -> royal #247BE1 -> deep navy #1939A5), rounded geometric shapes, soft diffused long shadows, subtle glows, clean editorial composition on a pure white background. A signature green eco-gradient (mint #8FF3CC -> emerald #38E6A6) marks the positive / progress / highlighted element; coral-pink #E27199 marks any negative element, sparingly. Modern, optimistic, tech-forward. NOT photorealistic, no 3D render, no hard black outlines, no sketch texture, no dark backgrounds.
